## GRADE 9 2017-2018 HONORS PROGRAM

Rudolph Hennig Junior High is pleased to be able to offer Honors at the grade 9 level in 2017-2018. It must be noted that enrollment must be sufficient. Applications will be accepted starting May 23. The registration deadline is May 30.

### THE PROGRAM

The Honors Program will follow all Alberta Education curriculum specifications in a way that is both challenging and enriching to the students. The intent of the program is not to go beyond the Junior High curriculum, but to reinforce, expand and extend the regular program. A greater emphasis will be placed on higher order thinking skills such as analysis, synthesis and metacognition (understanding thought processes).

### CRITERIA FOR ENTRANCE

While past academic achievement is a major criteria for entrance into the program, it is recognized that other factors are important as well. The following characteristics will be considered.

- The application form must be submitted by May 30, 2017.
- The primary selection criteria is based on attaining a minimum of 80% in each of the four Core subjects.
- Students must have positive effort, attitude and behavior.

### REMAINING IN THE PROGRAM

Once students are placed in the program, it is expected that they will maintain their marks at the honors level, as well as continue to display positive effort, attitude and behavior. While we do not foresee this being a common occurrence, it is conceivable that a student may be asked to withdraw from the program if these criteria are not maintained.
