Dear Future Grade 7 Raven:

Welcome to Rudolph Hennig!

It is exciting to be leaving grade six and to be looking forward to the adventures of Junior High. To make the transition smoother, we have set aside a time for "Sevens Only" to come to the school. During this time you will meet your teachers, learn how to use your locker and meet other students who are part of our Raven family.

"Sevens Only" time is scheduled for **Tuesday, August 29, 2017**. Your parents can drop you off (or you can walk if you live nearby) at **1:00 pm**. We have set aside a time to meet for a short presentation in the gym and then for teachers to welcome you into their classrooms.

We have attached a detailed list of supplies that you will need for grade 7. You may bring your supplies at this time and set up your locker. Teachers may request other items for their specific classes in the first week of school.

If your parents wish to stay, I will meet with them to go over Power School Parent Portal, our Webpage, etc., while you are with your new classmates.

Your parents can pick you up at **3:00pm**.

If you have any questions, please contact us at 780-998-2216.

Sincerely,

Mrs. Freiheit
