

Rudolph Hennig Junior High School

Welcome to Rudolph Hennig Junior High! We recognize that this is a big transition for students entering Grade 7 and we are here to make sure your transition is seamless. For our Grade 8 and 9 students, we hope to offer you a chance to build on the experiences you have already had and the help you continue to explore new passions in our numerous option classes. Our mission is to make sure that your education enhances your growth as lifelong learners, ethical and democratic citizens, and competent, self-sufficient people prepared to succeed in the world of work.

Junior high offers an opportunity to explore and develop your interests. All students take Language Arts, Math, Science, Social Studies, Physical Education, and Health. Students can also experience a variety of Career and Technology Foundations (CTF: Construction, Graphic Arts and Foods) and other elective classes (all listed below).
